

Maximize AutoAlert

Leverage proven best practices for working all alert types, focusing on outbound calls and setting appointments to initiate opportunities, selling more cars.

Close Ratio Accelerated

Experience bottom-line growth through implementation of opportunity management. Increase appointment show ratio and, ultimately, your close ratio.

Superior Customer Experience

Be the standard for successful consumer engagement from the very first point of contact. Drive a seamless experience for your customers.

YOU CAN DO IT

Take your existing in-house BDC to the next level and maximize your results with AutoAlert.

Work with our BDC training professionals to:

- ✓ Recruit quality professionals.
- ✓ Successfully onboard new team members.
- ✓ Assess current processes to gain insights that will drive strategy and key performance metrics.
- ✓ Learn proven phone and email scripts that increase appointment show ratio.
- ✓ Develop an accountability plan with follow-up coaching sessions.

WE CAN DO IT TOGETHER

Leverage our turn-key BDC solution to work your opportunities, so that your sales staff can focus on what they do best – close deals!

- ✓ Hand-dialed calls with up to eight attempts for each opportunity.
- ✓ Data cleansing for DNC.
- ✓ Outbound calls with proven phone scripts to set quality appointments.
- ✓ Strategy with dealer-specific goals.
